

Exhibit C Booking Procedure Flange

EnergyStock B.V.

Introduction

Terms defined in this *Booking Procedure* shall have the same meaning as described in the *General Terms and Conditions Flexibility Services Flange*.

This *Booking Procedure* is the procedure employed by *EnergyStock B.V.* for the processing of *Flexibility Services* requests of *Flange Customers*.

This *Booking Procedure* is based on the following fundamental principles:

- a) the procedure must be transparent and non-discriminatory;
- b) *Flexibility Services* will be granted according to the principle of first come first served.

Booking request by *EnergyStock Customer*

Any Party which has fulfilled the conditions of how to become *Flange Customer* as described in *Article 2* of the *General Terms and Conditions Flexibility Services Flange*, can submit to *EnergyStock B.V.* an enquiry regarding the applicable tariff for a specific amount of *Flexibility Services*. This enquiry can be submitted by means of an email and contains the requested *Flexibility Services*, the requested *Start Date* and the requested *End Date*.

Based on this enquiry *EnergyStock B.V.* will inform *Flange Customer* by sending an email. Thereafter and based on a booking request the applicable *Flexibility Services Contract Flange* can be agreed upon and will be sent to *Flange Customer* by *EnergyStock B.V.*. Any other document will not be accepted by *EnergyStock B.V.*

It is preferable to start the process of becoming *Flange Customer* well in advance of the date on which *Flange Customer* wishes to start using *Flexibility Services*. *EnergyStock B.V.* needs at least 10 *Business Days* to complete the process of granting an interested party the status of *Flange Customer*.

Flexibility Services can be booked upfront with a maximum time- to service that depends on the duration of the requested service.

Flexibility Services can be booked with a *Contract Period* of one or more *Years, Months* or *Days*.

Monthly/Yearly TTF Flexibility Services for a period of more than half a year can be contracted in the period from one (1) year before the *Start Date* up to the *Business Day* before the *Start Date*.

Monthly Flexibility Services for a period of three (3) until six(6) months can be contracted in the period from six (6) Months before the Start Date up to the Business Day before the Start Date.

Monthly Flexibility Services for a period of one (1) until three (3) months can be contracted in the period from three (3) Months before the Start Date up to the Business Day before the Start Date

Weekly Flexibility Services for a period of one (1) until four (4) weeks can be contracted in the period from one (1) Month before the Start Date up to the Business Day before the Start Date

Daily Flexibility Services with a Contract Period of one (1) until six (6) Days can be contracted in the period from one (1) week before the Start Date up to the Business Day before the Start Date

The processing of booking requests and the *Flexibility Services Contract Flange* will be done by the Front Office/Back Office department of *EnergyStock B.V.*

EnergyStock B.V. will check if:

- The *Flexibility Services Contract Flange* is fully completed and signed by *Flange Customer*.
- The requesting party fulfils the conditions of becoming *Flange Customer*, which includes that such requesting party is sufficiently creditworthy for the capacity ordered.
- The requested amount of *Flexibility Services* is available.

Only if all these conditions are met, *EnergyStock B.V.* will accept the *Flexibility Services Contract Flange*. If one or more of the conditions are not met, *EnergyStock B.V.* will reject the *Flexibility Services Contract Flange* and inform the requesting party about the reasons for the rejection.

Upon receipt by *EnergyStock B.V.*, a completed and signed *Flexibility Services Contract Flange* establishes a binding declaration of *Flange Customer* to enter into an agreement as specified in the *Flexibility Services Contract Flange*. If a *Flexibility Services Contract Flange* is accepted and successfully processed, *EnergyStock B.V.* confirms the booking by countersigning the *Flexibility Services Contract Flange* and returns it to *Flange Customer*.

Flexibility Services are allocated on a first come first served basis. The Front Office/Back Office department will only process a *Flexibility Services Contract* on *Business Days* during office hours, being from 8:30 hours *LET* to 17:00 hours *LET*.

EnergyStock B.V. provides information on its *Website* on the availability of *Flexibility Services*. This information is indicative only, and no rights can be derived from it. A completed *Flexibility Services Contract Flange* reduces the available *Flexibility Services*. The

Flexibility Services information on the *Website* will be updated after each *Flexibility Services* booking.
